HOUSEKEEPING CLEANING PRODUCTS

Roovel Solutions stands for caring about you and the environment by providing solutions for all challenging & varied requirements. With experience of over 19 years in manufacturing of Industrial cleaning chemicals, we are redefining the standards of cleanliness in India. We are committed to provide chemical solutions that give outstanding results and are environmentally responsible. Investing time and effort in understanding the Indian market, Power Clean has innovative products that make your everyday life easy. Every user of Power Clean can take pride in the fact that our products have minimal impact on the environment.

We are dedicated to preserving our precious environment. Roovel Solutions is an organisation offering eco-friendly, bio-degradable products. Our Vision is to make the world a Safer, Cleaner and Better place. We understand our success depends on proactive collaboration with customers in identifying innovative and cost-effective solutions. Our Mission is to be valued by our customers, employees, and shareholders for providing highly innovative products and services backed by deeply instilled principles, values and ethics. Roovel Solutions is committed to provide the Indian consumer the most unique and best products to simplify their life.

WHAT WE VALUE

"A customer is the most important visitor on our premises. He is not dependent on us. We are dependent on him. He is not an interruption of our work. He is the purpose of it. He is not an outsider of our business. He is part of it. We are not doing him a favour by serving him. He is doing us a favour by giving us the opportunity to do so."

- Mahatma Gandhi.

We truly believe what Mahatma said above and continuously try to exceed customer expectations.

Our POWER CLEAN Products are broadly categorized into 3 segments.

- 1. POWER CLEAN Housekeeping Products*
- 2. POWER CLEAN Industrial Cleaner & Degreasers*
- 3. POWER CLEAN Water Treatment products*
